

Environmental Policy

We at Oil Salvage Limited are committed to achieving the best environmental performance possible throughout our activities. Oil Salvage intends to reduce the impact our operations have on the environment and implement a program of continuous improvements.

We at Oil Salvage realise that:-

- Planned prevention or reduction of pollution is cheaper than rectification after the event. It therefore makes sense to minimise waste and pollution to reduce long term costs, e.g. treat and recycle oil.
- Our Policy begins with a consideration of the impact of the Company's activities on both the local and wider communities and will take account of transportation or raw materials, use of energy, distribution of finished product and discharge of emissions and disposal of waste.

The Company therefore has the following commitments and objectives to:-

- Minimize disturbance to the local and global environment and to the quality of life of the local communities;
- Comply with all relevant statutory regulations;
- Maintain appearances and highest environmental standards within the Company premises;
- Take positive steps to conserve scarce and non-renewable resources;
- Assess, in advance if possible environmental effects of new processes and developments;
- Provide necessary information to enable proper use, storage and disposal of Company products to avoid harm to the environment;
- Provide necessary information to enable employees to operate processes and procedure properly to minimize effects on man and the environment;
- Keep the public informed of major projects in the locality.
- To conduct regular environmental audits to ensure that best practice procedures are fully implemented.

Overall

To develop the Company paying full regard to the environment and taking into account the view of all parties whose interest may be affected. The Company will act in accordance with appropriate codes of practice. This Policy will be communicated to all employees.

Organisation

The Managing Director has ultimate responsibility for this Policy and through the Management team and supervisors, will direct this Policy to all concerned.
